Directions: Print, complete, scan, and submit Factors and Multiples Bubble Sheet Feb. 13 due Feb. 14 before class. Use the Factors and Multiples PDF with the questions to select your answers. You need to fill in the bubbles completely. You can also write your answer beside the bubble choices, but the bubble must be filled in. This will help you prepare for filling in a bubble sheet when you take your PSSA test. You can also color the pictures! This is worth 20 points.
